

# Calling All Volunteers!

## Aldrin Elementary Career Day

Wednesday  
April 3, 2019

Would you like to volunteer your time? Or do you have a friend or family member who would like to volunteer their time? We are looking for speakers to come and talk with students about their career fields; sharing information such as education requirements, job responsibilities, a typical day and pros and/or cons of the career field. The more interactive the presentation is, the better. In the coming months we will provide volunteers with tips for creating presentations.

Volunteering will require about a **2 hour commitment** in the morning. We plan for the program to run from about **9:30 am to 11:30 am**. **The day will consist of three 30 minute sessions.** Most volunteers will be asked to present for 2 or 3 sessions. If you are only able to present for one session we will be very flexible in our scheduling. You will be presenting to groups of children in classrooms. We know that this day is a long time from now but the planning and scheduling will be very time consuming.

To ensure that we have sufficient time to schedule student activities we ask that you volunteer now! **Please complete the attached form and return it to Mrs. Walker or Mrs. Mahler by February 1, 2019.** We will use email to communicate most Career Day information to you. We will send you a confirmation email before we begin scheduling to ensure that you are still available to volunteer. Please feel free to contact us if you have questions or would like clarification on the schedule. Thank you, we look forward to working with you to make this a special day for our students.
