

## LET'S SHOOT FOR THE MOON!

Each year, donations from our Aldrin families and business partners help fund numerous programs for our school through Direct Campaign Contributions (DCC). This is the primary source of fundraising for the PTA and allows the PTA to provide a wide variety of resources and programs for students & teachers. Last year, your contributions helped to fund field trips and the required buses, GRACE Arts, Wordmasters and Math Olympiad, 3D printing supplies, teacher resources such as Coach books, wall maps for 4<sup>th</sup> grade, and games for Strategies Lab, multiple iPads, laptops and charging stations, upgrades to audio technology in classrooms, start of school supplies for teachers, and more.

This year, we are continuing with our “**Shoot for the Moon**” campaign. You have a choice of donation levels, which combine DCC and PTA Memberships together. You may also select the “Fan Level” and contribute any amount of your choosing. Lastly, do not forget to ask your company/business about matching your donation through their donation website portal!

Our goal this year is to raise \$11,000. We will be working with the Aldrin staff and community to identify items that will truly benefit our staff and students and help them excel at Aldrin!

**Together Anything is Possible!!**

**FAN LEVEL**

Includes:

Single or Teacher PTA Membership \$10

Family PTA Membership \$15
